SEEKING, FINDING, GIVING, GETTING, MOVING, SHOWING, DOING - PUTTING FEET TO DREAMS!

It's one thing to be an eternal optimist and 'tis a grand thing at that, but it's all together another thing to stimulate your hope to grow legs and go get your dreams!

While optimism is the sweetness of living, it can become only a sticky mess if all one does is wish, or wait, or wonder, or whine, or win at words only, against the enemy pessimism.

SWAC practices what we preach and so does our wonderful arts community, take a look at some long legs and spry feet put to arts dreams:

Ballerina Betty Webster **GIVING** her all to create the Eastern Shore Ballet Theatre to the professional stature it has today, forever blessing the lives of hundreds of children, and now **SEEKING** all of YOU to keep her legacy alive by contributing to THE BETTY WEBSTER LEGACY BALLET FUND. **GIVE** at www.GetSWAC.org, and in donations, put in the memo Betty Webster Fund, or **DO** mail a check today!

DOING for our artistic constituency by hosting TABLE TALK THE ARTS, a SWAC-Y HAPPY HOUR with the Maryland State Arts Council, Arts organizations, and City Arts Staff for conversations, presentations, performances, and hospitality, Thursday April 25, 2024 from 4 to 8pm, **FINDING** new arts gems, ideas, artists, opportunities, and arts hope!

FINDING arts love, fun and friends at SWAC'S CRAFTERNOONS KIDS ARTS CAMP August 5-9, 2024, **SEEKING** parents to register children and **SEEKING** camp staffers to work the week, **SHOWING** families their children's talent and new found enthusiasm to pursue the arts!

GIVING arts dreams, awards, support and funding to artists, arts organizations, and schools through SWAC's arts grants (DEADLINE JUNE 7) and arts scholarships, (DEADLINE MARCH 15) and **GETTING** incredibly talented students that go on to national acclaim, such as PETER JIN, a TWO-TIME SWAC SCHOLARSHIP RECIPIENT, for winning first place at the Crescendo International Competition in Philadelphia, **MOVING** him on to compete at Carnegie Hall in New York spring 2024! Peter, a multi-year performer in SWAC's Classics for A Cause concert, studies piano under the instruction of SWAC's Board of Directors Vice President, Lyubov Paskova, **SHOWING** her dedication to the arts through SWAC.

Community Players of Salisbury is **SEEKING** attendees new and old to partake of excellent local theater performances, such as a spring **SHOWING** of modern comedy VANYA AND SONIA AND MASHA AND SPIKE, a Tony Award winning quirky comedy that humorously explores relatable human foibles. Then a summer **SHOWING** of a classic musical KISS ME KATE by Cole Porter, won the first ever best musical Tony in 1948, a best musical Tony award again, and was nominated for best revival again in 2019. **FIND** the dates, times, locations, and ticket information in the calendar of this publication. Please support SWAC grant recipient Community Players as we **GIVE** them funds and they **GIVE** you great theater right here in River City!

SWAC Staff joined over 400 arts advocates from arts organizations around the state on MARYLAND ARTS DAY February 13 at the CAPITOL literally **DOING** the LEG WORK, canvassing from Senate building, to House building and others, for hours in the cold, advocating to our legislators the value of the arts, **SEEKING** 31 million dollars and more, in the Governors' budget for arts for ALL across the state! The SWAC created arts statistics with our "official ask" flier, is **SHOWING** (here on the next page), **GIVING** you arts facts to prove why Artists and businesses are **MOVING** to Maryland because we helped Legislators "**GET** it" that the arts are an economic and an academic engine. The result: by our **GIVING** 100%, we ALL (universities, schools, arts organizations, non-profit service organizations, charities and more) are **GETTING** the benefits of state wide arts advocacy that won Maryland the prestigious status of 2nd highest state in the nation for arts funding and a role model for all other states!

Well now, isn't this a page full of PUTTING FEET TO OUR DREAMS? Hat's off to all the participants mentioned and a salute to you the reader, who by your interest to read this article to the end, and your superb support to SWAC, YOU are:

SEEKING, FINDING, GIVING, GETTING, MOVING, SHOWING, DOING- PUTTING FEET TO DREAMS!

Together, we've kept the optimism sweet and kept the sticky away.

No wishing, waiting or wondering for dreams to come true for YOU, because as Dr. Seuss says, "**You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your way, Oh the places you'll go!**"

And no one takes the Dr.'s orders more seriously than this group; though we may be made of dust, we are **DOING** our best!
